

Directors Introduction

I would like to introduce myself and my company to you.

I have 34 years' experience as a Consulting Engineer.

In 2013, I started my own Consulting Engineering Company, **Genesis Engineering**.

Genesis Engineering is incorporated in Australia and registered as an overseas company in PNG.

With offices in Cairns and PNG, we have extensive experience designing and managing projects in locations such as:

- Queensland
- Papua New Guinea
- Bougainville Island
- Asia Pacific regions

Genesis Engineering is an ethical and service oriented Consultancy with low overheads. This enables us to deliver cost effective, high quality, and personalized services.
